Youth Section - Any Subject, Any Medium

This year we ask that all pieces of art submitted are not multiple copies of the same subject or "mass produced", e.g. NOT 20 cars or birds.

We are encouraging individuals to produce individual pieces of artwork that are as unique and special as the artist who made it. "Mass produced" pieces of artwork are an idea that has come from a teacher, not from individual students. This year we would love to see and enjoy, every child's individual idea, critical thinking and creativity expressed as art work.

Optional: To write a few sentences about the art in the child's own words. Please print out and attach to the bottom of the frame like the catalogue slip. An example will be on display at the show grounds office
